Thanks for your quick response. It might be a bit tight to start at 1p
- I say b/c you mentioned you MIGHT be able to push it a few minutes
earlier . . .

Would you see if you could? If it ends up at 1, we'll make it work, I
just thought I'd be a pest . . . let's just say if you can't hear back
by, say, 4ish, on an earlier time, I'll just send out a 1pm start time.
Thanks for your help!

Thank you, Mia.

Park City's preference would be to start after lunch. So, let's book
the time frame from 1:00 to 2:15, if that works. We might be able to
push it a little earlier, but I would need to confirm with Park City to
do that. Thanks for following up.

Polly

Hi Polly. Just thought I'd drop a note to let you know that other folks
have reported their availability for a phone call during the 11:30 -
2:15p time-frame.

Since folks' calendars fill up so quickly, I was hoping to book that
time today, depending on your availability.

Thanks for your help!
